**Please complete and bring to college on 9<sup>th</sup> September 2024.**

**We will be looking at the level of writing and effort used in this work.**

**If you know how to reference please do, if you do not please try**

You are working as a healthcare assistant, in a residential setting for individuals with different types of dementia.

Your manager has asked you to produce some materials, which will be included in the induction programme for new staff at the centre.

You are asked to produce a report that:

Explains the causes of three different types of dementia.
Explains the symptoms of three different types of dementia.
Explains the effects of three different types of dementia on the mental and physical health of individuals who have the condition.

**Please research:**

**Alzheimer's Disease**

**Vascular Dementia**

**Fronto temporal Lobe Dementia**
